

AUTOGUARD™ CARBURETOR CLEANER

AUTOGUARD CARBURETOR CLEANER - Vehicles with carburetors build up “sludge”, “varnish”, and other deposits due to poor combustion of fuel. These deposits reduce fuel combustion and cause valves to stick. The linkages on a carburetor can stick causing inefficient operation. **AUTOGUARD CARBURETOR CLEANER** is an aerosol blended with selected solvents, carefully formulated to maximize cleaning power. Difficult deposits are eliminated quickly.

Benefits

- Removes Gum, Varnish, Sludge and Carbon Deposits Instantly
- Cleans Carburetor Linkage, PCV Valves and Chokes
- Safe for Oxygen Sensors and Catalytic Converters
- No Chlorinated Solvents

Typical Characteristics

Contains	Methanol, Toluene
Propellant	CO ₂
Flash Point, TCC	45°F

WARNING: This product is highly flammable and user should exercise caution.
