

Autoguard[®] Multi-Purpose Lithium Grease

Autoguard Multi-Purpose Lithium Grease is an economical multi-purpose NLGI #2 lithium stearate base grease. Its lithium stearate thickener offers excellent mechanical stability and is water insoluble and suited for normal temperature and speed conditions. Suitable for use for drum-type wheel bearings, chassis, springs, water pumps, bearings and general lubrication. Not suitable for use on disc brake wheel bearings.

Benefits

- Economical lithium/calcium mixed base thickener
- Water insoluble
- Protects against rust and corrosion

Typical Characteristics:

Autoguard MP Lithium No. 2

NLGI Consistency Number	2
Thickener	Lithium Stearate
Texture	Smooth
Color, Observed	Light Amber
Worked 60 Penetration, D-217	265 - 295
Dropping Point, D-566, °F. (°C.)	320 (160)
