

## Autoguard<sup>®</sup> Power Steering Fluid

Autoguard Power Steering Fluid is formulated with quality base oils and an additive package designed to inhibit rust and corrosion, provide antiwear protection, resist oxidation, suppress foaming and help prevent leaks.

Autoguard Power Steering Fluid is compatible with all factory non-synthetic power steering fluids. Not for use in Honda or Acura vehicles.

### *DIRECTIONS*

*Add to power steering reservoir to bring fluid up to specified level. Do not overfill. Always check your owner's manual for fluid specifications.*
