

Autoguard[®] Premium Multi-Purpose Lithium EP Grease

Autoguard Premium Multi-Purpose Lithium EP Grease is an economical multi-purpose extreme pressure (EP) NLGI #2 lithium stearate base grease. Its lithium stearate thickener offers excellent mechanical stability and is highly water resistant and suited for normal temperature and speed conditions. Suitable for use for drum-type wheel bearings, chassis, springs, water pumps, bearings, and general lubrication. Not suitable for use on disc brake wheel bearings.

Benefits

- Extreme pressure (EP) performance
- Economical lithium thickener
- Highly water resistant
- Protects against rust and corrosion

Typical Characteristics:

NLGI Consistency Number	2
Thickener	Lithium 12 Hydroxystearate
Texture	Smooth
Color, Observed	Dark Amber
Worked 60 Penetration, D-217	265 - 295
Timken OK Load, D-2509, lb	45
Dropping Point, D-566, °F. (°C.)	360 (182)
Base Oil Viscosity @ 100°C	11 cSt
Base Oil Viscosity @ 40°C	145 cSt
Four-Ball EP Weld Point, D2596, kgf	315
