

Coastal[®] All-Purpose EP Grease

COASTAL ALL-PURPOSE EP GREASE is an NLGI No. 2 lithium stearate grease with a smooth texture and a 320°F dropping point. Combining these properties with excellent resistance to water washing makes this product ideally suited for use as multipurpose grease under normal temperature and speed conditions.

COASTAL ALL-PURPOSE EP GREASE is recommended for many automotive and agricultural applications such as chassis, water pumps and wheel bearings (except disc brake applications).

COASTAL ALL-PURPOSE EP GREASE possesses outstanding resistance to water washing, excellent performance under mechanical shearing, and provides excellent lubrication at temperatures from 0 to 265°F.

Typical Characteristics

NLGI No.	2
Appearance	Dark Brown
Texture	Smooth
Thickener	Lithium Stearate
Worked Penetration, ASTM @ 77 °F	265-295
Dropping Pt., °F	320
Wheel Bearing Leakage, D1263, rating	Pass
Timken OK Load, D2509, lb	40
Four-Ball EP Weld Point, D2596, kgf	315
Operating Range, °F	0 to 265
