

## Coastal<sup>®</sup> Chain & Bar Lube

**Coastal Chain & Bar Lube** is a premium lubricant designed for the lubrication of bar and chains on chain saws. It is also suitable for all types of link chains that require lubrication, including motorcycles and bicycles, as well as farm and industrial uses.

**Coastal Chain & Bar Lube** is formulated with highly refined base stocks and an additive package to assure excellent performance as a chain saw bar and chain lubricant. A special tackifier is added to the oil, which promotes good adhesion to moving parts and minimizes oil throw off.

**Coastal Chain & Bar Lube** is designed to prevent rusting and reduce wear and link breakage thus extending bar and chain life. Penetration into rivet holes and the bat channel is assured. Down-time and cutting interruptions are minimized.

### Typical Characteristics:

API Gravity @ 60°F	21.9
Specific Gravity @ 60°F	0.9214
Lbs/gal	7.684
Flash Pt., COC, °F	450
Pour Pt.	-11°F (-24°C)
Viscosity, cSt @ 100°C	11.5
