

Coastal[®] Premium Marine Grease

COASTAL PREMIUM MARINE GREASE is anhydrous calcium grease that is highly resistant to water and contains additives to protect against rust and oxidation.

COASTAL PREMIUM MARINE GREASE possesses excellent EP/anti wear properties. Its insolubility in water and its excellent resistance to water washing make it ideal grease for all wheel bearings (except disc brake wheel bearings), especially boat trailers.

NLGI No.	2 EP
Appearance	Green
Texture	Smooth, Stringy
Thickener	Anhydrous Calcium Soap
Worked Penetration, ASTM @ 77°F	265-295
Dropping Pt., °F	285
Base Oil Viscosity	
cSt @ 40 °C	1370
cSt @ 100 °C	63.0
Wheel Bearing Leakage, D-1263, Rating	Pass
Rust Prevention, D-1743, rating	Pass
Oxidation Stability, D-942, psi drop	5.0 @ 100 hrs
Timken OK Load, Lbs.	50
Operating Range, °F	0 to 250
