

# Coastal<sup>®</sup> Premium Multipurpose EP Grease

**COASTAL PREMIUM MULTIPURPOSE EP GREASE** is an NLGI No.2 grease containing non-lead extreme pressure (EP) additives designed to handle severe lubrication requirements such as those characterized by high bearing and shock loads.

**COASTAL PREMIUM MULTIPURPOSE EP GREASE** is very water insoluble and washout resistant and gives excellent performance in the areas of oxidation stability and corrosion protection.

**COASTAL PREMIUM MULTIPURPOSE EP GREASE** is recommended for use as a multipurpose lubricant in a wide variety of heavy duty automotive, trucking, industrial, mining and construction equipment and any other application where an NLGI No. 2 EP multipurpose grease is specified.

### Typical specifications:

NLGI.	2 EP
Appearance	Dark Amber
Texture	Smooth
Thickener	Lithium 12 Hydroxystearate
Worked Penetration, ASTM @ 72 °F	265-295
Dropping Pt., °F	360
Base Oil Viscosity,	
cSt @ 40 °C	187
cSt @ 100 °C	15.8
Timken OK Load, Lbs.	45
Operating Range, Continuous, °F	5 to 290
