

Enviroil[®] GF-5 Motor Oils

ENVIROIL GF-5 MOTOR OILS are premium-quality, high detergent automotive engine oils specially formulated to meet the stringent lubrication requirements of today's engines. They are blended using high quality re-refined base stocks. This recycling process requires up to 85% less energy to produce, than products from crude oil. It also reduces our nation's dependence on foreign sources of crude oil.

ENVIROIL GF-5 MOTOR OILS meet or exceed the requirements of GM 6094M and Ford WSS-M2C946-A (SAE 5W-30), Chrysler MS-6395. Meets Toyota Specifications, and Honda Service Fill Specifications.

They also meet or exceed API Service Category SN, SM, SL, and SJ. They also comply with ILSAC GF-5 requirements.

Benefits compared to GF-4

- Improved fuel economy
- Increased sludge protection
- Enhanced piston cleanliness
- Increased emission protection
- ILSAC GF-5 Resource Conserving formula
