

Gold Band AW 32 Drip Oil

Gold Band AW 32 Drip Oil is an anti-wear fluid designed for use as an intermittent drip-type lubricant in irrigation, conveyor and industrial lubricating systems. It protects against rust, oxidation and wear and contains a foam inhibitor.

Gold Band AW 32 Drip Oil may also be used as a general-purpose gear and bearing lubricant and as the fluid medium in hydraulic systems where service requirements are light to moderate.

NOTE: Some states or municipalities require the use of food grade drip oil for industrial or agricultural applications. Gold Band AW-32 Drip Oil is not a food grade product. Check state and local ordinances to ensure compliance.
