

Gold Band[®] AW Hydraulic Oil

GOLD BAND AW HYDRAULIC OILS are blended with highly refined base oils and an additive package that provides anti-wear protection and inhibits rusting and corrosion. An antifoam agent has also been added to suppress foaming and air entrainment.

GOLD BAND AW HYDRAULIC OILS are available in three ISO grades (32, 46, & 68) to satisfy the varying requirements of vane, gear, and piston pumps.
