

AUTOGUARD OCTANE BOOSTER

Warren Oil Company

Product Data Sheet

Autoguard Octane Booster is formulated to stop knocking caused by low octane fuel. It may be used in both leaded and unleaded gasolines. Special additives increase octane and clean fuel system. **Autoguard Octane Booster** does not contain alcohol and is safe for catalytic converters and oxygen sensors. It can be used in carbureted, fuel injected and turbo charged engines.

Benefits

- Stops knocks and pings
- Reduces preignition and dieseling
- Helps to smooth rough idle
- Improves fuel economy
- Increases Octane
- Reduces Carbon Monoxide emissions
- Improves fuel combustion
- Safe for Catalytic Converters and Oxygen Sensors
