

AUTOGUARD[®] OIL TREATMENT

- Decreases Engine Wear
- Protects Engine Components
- Reduces Oil Consumption

API Gravity	25.7
Specific Gravity	0.8993
Density, lbs/gal	7.505
Viscosity, cSt @ 100C	90 – 120
cSt @ 40C	1,550
Color, ASTM D1500	2.0
Appearance	Clear Amber

Autoguard[®] Oil Treatment blends readily with all petroleum-based oils, and is designed to improve the effectiveness of your motor oil.

DIRECTIONS

Add one bottle to each 4 to 5 quarts of motor oil. To ensure proper blending, engine should be warm. Do not overfill crankcase. Do not over-treat.
